

Currently represented by NICE (Benelux area) in Alphabetical order:

- ACTUS – Media monitoring, analysis, archiving, content detection and web broadcasting [actusdigital.com](http://actusdigital.com)

- ADI – DVB-T/C receivers [www.adi-vt.com](http://www.adi-vt.com)

- Advent – Satellite communications (Earth stations, Fly/Drive away,...) [www.adventcomms.com](http://www.adventcomms.com)

- ATecoM – Various IP and ATM interfaces [www.atecom.com](http://www.atecom.com)

- Ayecka – Converters DVB-S2 to DVB-S [www.ayecka.com](http://www.ayecka.com)

- BAL – Converters, interfaces, cables clones,... [www.bal.co.uk](http://www.bal.co.uk)

- BON – LCD Displays [www.bon.co.kr](http://www.bon.co.kr)

- dB Broadcast – Signal presence monitoring and redundancy switching  
[www.dbbroadcast.co.uk](http://www.dbbroadcast.co.uk)

## dB Broadcast...

- Domo – Wireless communication technologies (narrowband and full DVB-T compliant ) [www.cobham.com/domo](http://www.cobham.com/domo)

- Evertz – Audio / Video / RF / Data interfacing, routing and Fibre optic transport, Multiviewers,... [www.evertz.com](http://www.evertz.com)

- Harmonic – Enabling interactive video, voice and data services over cable, telecom, satellite, wireless and terrestrial broadcast networks.  
[www.harmonicinc.com](http://www.harmonicinc.com)

- HD2line – Grade one High quality LCD Displays [www.hd2line.com](http://www.hd2line.com)

- IPCLOCK – Timing distribution via IP (accuracy  $\leq 1\mu\text{s}$ , for DVB-T/H,..)  
[www.ip-clock.com](http://www.ip-clock.com)

- MRC – Wireless communication systems [www.mrcbroadcast.com](http://www.mrcbroadcast.com)

- NEWPOINT – Monitor and Control Software [www.newpointtech.com](http://www.newpointtech.com)

- ORCKIT – Carrier Ethernet + Transport solution and Personalized Video StatMux solution. [www.orckit.com](http://www.orckit.com)

- PALS – Antenna controller and Drive-Away systems [www.pals.com.tr](http://www.pals.com.tr)

- Patriot – Antenna systems [www.sepatriot.com](http://www.sepatriot.com)

- peerTV – Internet set-op-boxes [peertv.com](http://peertv.com)

- Pro Television – DVB-T/H modulators, SFN adapters, Digital Repeater, ...  
[www.protelevision.com](http://www.protelevision.com)
